

Lockhart Independent School District Plum Creek Elementary School

Jamee Griebel
Principal

Machel Higgins
Assistant Principal

August 16, 2017

Greetings Parents and Families of Plum Creek Elementary School,

Welcome to the 2017-2018 school year! We are thrilled to welcome all of you back to a new school year full of learning and growing. For those of you who are new to our school, I want you to know that you are coming to an absolutely wonderful place. At Plum Creek, every student will be provided the highest quality of education possible in a safe and supportive learning environment.

Over the past year as principal, I had the chance to meet many of you and your children, and look forward to continue building a strong relationship with all of you in the upcoming year. Building strong relationships between home and school, student attendance, and parental involvement are key factors in increasing student achievement. This year we will have Family Literacy nights (twice a month on Thursdays starting in September) where you can check out a book from the library to read with your child, use the computer lab with your child, or participate in our Latino Literacy Project. In addition, our staff will be engaging in conversations around having a growth mindset, both academically and socially. When you enter our school, our hallways will be decorated with the 7 Mindsets (Everything is Possible, Live to Give, 100% Accountable, Passion First, Attitude of Gratitude, We are Connected, and The Time is Now). The 7 Mindsets will be the building blocks to provide a positive, school culture at Plum Creek.

Each month we will send home a newsletter informing you of events happening at Plum Creek. It will also be available on our school website at <http://ples.lockhartisd.org/>. Follow us on Twitter @Plumcreekelem.

As principal, my door is always open and I welcome your input. I look forward to working with you and your child. We are excited for all of you to be part of our Plum Creek family!

Sincerely,

Jamee Griebel, Principal
